

St George's Prep School 100 Club

If you are one of the many St George's Prep School parents who would like to help SGP PA Association, but whose busy life makes it difficult to attend events and get involved, please read on. **We've found the perfect way for you to make a difference with VERY little effort!**

St George's Prep School 100 Club is being set up as a fundraising initiative to help us to help our children's school. The great news about this fundraiser is that, although you have to pay to take part, you could receive a return on your money, if you are a winner in the club's quarterly draws.

When you join you will become a member and allocated a number for R100 per term paid payable one year in advance. This will enter you in to the termly cash prize (made up of **55%** of the term takings). The remaining 45% goes to SGP PA Association to support St George's Prep School in the purchase of equipment to benefit all of our children.

Just complete the registration form attached and return it, along with your payment, or proof of payment, to SGP PA Association c/o the school office. You will receive notification of your allocated membership number shortly afterwards and you can then check the school notice board, website or school communicator every term for news of **St George's Prep School 100 Club** winners. *It's as simple as that!*
